d-c-fix[®]

original

Sehr geehrte Geschäftsfreunde,

mit diesem Katalog wollen wir Ihre Erfolge mit d-c-fix® weiter ausbauen. Dafür haben wir zum einen wieder zahlreiche Neuheiten ins Programm gepackt, zum anderen das Sortiment in seinen Themenwelten kontinuierlich optimiert. Gemeinsam sind wir damit noch fitter für den kommenden Markt.

Die Kraft der Marke zieht mehr denn je. d-c-fix® *original* steht beim Anwender nicht allein für beste Qualität und Funktionalität, sondern immer auch für Stilsicherheit und hervorragendes Design. Verbraucher und professionelle Verwender wissen, dass wir die Trends frühzeitig aufspüren und treffsicher interpretieren. Und weil das schon immer so war, sind viele unserer Klassiker heute längst Kult und ein Muss im Programm. d-c-fix® schafft Möglichkeiten, wo Menschen mit besonderer Emotionalität bei der Sache sind: im persönlichen Umfeld mit seiner eigenen Note und Ausdruckskraft. Hier setzt die Marke Akzente und schafft individuelles Ambiente. Genau das schätzen auch die Profis: Messebauer, Dekorateure, Inneneinrichter oder Architekten verleihen ihren Objekten mit d-c-fix® eine eigene Identität. Also ist die Attraktivität der Marke universell, ihre Wirkung individuell – beste Voraussetzungen für fortwährenden Erfolg.

Damit das so bleibt, suchen wir den ständigen Dialog mit Ihnen und allen Anwendern, je direkter, desto besser. Deshalb zeigen wir breite Präsenz im Handel und beleben die Marken-Community, wo immer der Kontakt entsteht. Auf unsere starke Partnerschaft und den gemeinsamen Erfolg!

Dear business associates,

This catalogue is intended to add to your successes with d-c-fix®. With this in mind, we have again added lots of new products to the range, while continuously evolving the themes embraced by the collection. Together, this makes us even fitter for the forthcoming market.

The brand's strength is more potent than ever. Among users, d-c-fix® *original* is synonymous not just with top quality and functionality, but also always with assured style and outstanding design. Consumers and professional users know that we are quick to perceive new trends and interpret them impeccably. And, because some things never change, many of our classics have long since acquired cult status and become essential in our line-up. d-c-fix® creates possibilities that allow people to express particular emotions or to make a statement, when personalising their own private space.

In such cases, the brand sets a particular style and creates an individual mood. Professionals too appreciate this quality: exhibition builders, decorators, interior architects and designers use d-c-fix® to give their properties their own identity. With the brand's combination of universal attractiveness and individual impact, it is ideally placed for further success.

To make sure this continues, we welcome every opportunity for dialogue with you and all users – the more direct the better. For this reason we are widely active in the retail sector and brand community, wherever the contact arises.

Here's to our strong partnership and shared success!

Ihr / Yours sincerely

DEUTSCH

Funktionsfolien – statisch haftend, ohne Kleber. Die Folien sind kinderleicht zu verarbeiten und lassen sich rückstandsfrei entfernen. Sonnenschutzfolie reduziert die direkte Wärmeeinstrahlung, schützt vor schädlicher UV-Strahlung und ist dabei nahezu transparent. Tönungsfolie hält gesundheitsschädigende UV-Strahlen ab und bewahrt vor Blendung durch grelles Sonnenlicht.

ENGLISH

Functional films - static clinging, without glue. The films are easy to work with and can be removed residue-free. Sun protection film reduces direct heat radiation, protects against damaging UV-radiation and is still almost transparent. Tinted films block harmful UV-radiation and protect against the glare from bright sunlight.

NEDERLANDS

Functionele folie - statisch hechtend, zonder hechtmiddel. Het is kinderspel om de folies te verwerken. Deze kunnen bovendien zonder weerstand worden verwijderd. Zonwerende folie vermindert de directe warmtestralingen, beschermt tegen schadelijke UV-straling en is bovendien vrijwel transparant. Getinte folie houdt de UV-stralen tegen die schadelijk zijn voor de gezondheid en beschermt tegen verblinding door fel zonlicht.

FRANÇAIS

Les films fonctionnels – une adhésion statique, sans colle. Les films sont très faciles à mettre en œuvre et se retirent sans laisser de résidus. Le film de protection solaire réduit le rayonnement thermique direct, protège contre les rayons UV nocifs tout en étant quasiment transparent. Le film teinté arrête les rayons UV dangereux pour la santé et évite l'éblouissement dû à la lumière solaire non tamisée.

ITALIANO

Pellicole funzionali – adesione statica, senza colla. La lavorazione delle pellicole è un gioco da ragazzi e la rimozione non lascia residui. La pellicola parasole riduce l'irradiazione di calore diretta, protegge dalla dannosa radiazione UV ed è quasi trasparente. La pellicola sfumata ripara dai raggi UV pericolosi per la salute e protegge dall'abbagliamento causato dalla luce solare accecante.

ESPAÑOL

Láminas funcionales – adherencia estática, sin pegamento. Las láminas pueden elaborarse fácilmente y retirarse sin dejar residuos. La lámina de protección solar reduce la radiación térmica directa, protege contra rayos ultravioleta y es casi transparente. La lámina matizada impide los rayos ultravioleta nocivos para la salud y protege contra deslumbramiento por luz solar.

PORTUGUÊS

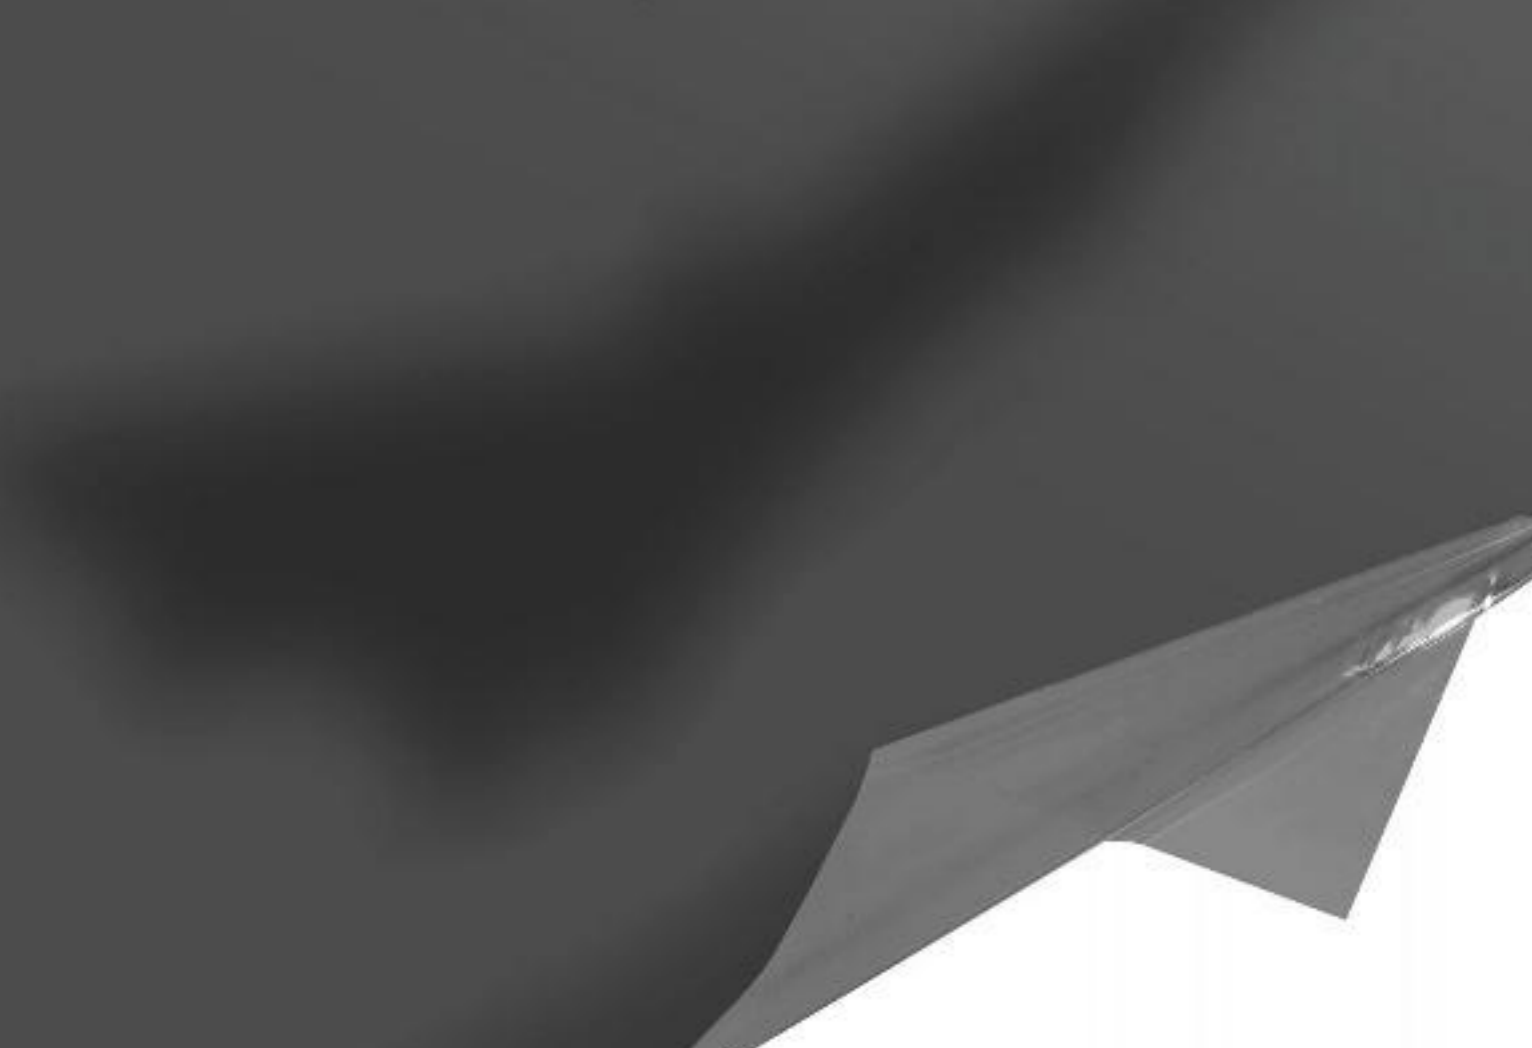

Películas funcionais – com adesão estática, sem cola. As películas são muito fáceis de manusear e não deixam resíduos após a eliminação. A película de protecção solar reduz a radiação solar directa, protege contra a radiação UV nociva e é praticamente transparente.
